

Alternative Therapy Information

- The plan covers a calendar-year maximum of 24 visits total for the following treatments: Chiropractic, Massage Therapy, Naturopathy, Ortho-Bionomy Therapy and Acupuncture.
 - **Copay plan:** \$25 copay per visit. (The copays will apply to the max out-of-pocket, not the deductible, and will continue until the max out-of-pocket is met and then are covered 100%.)
 - **High Deductible Health Plan:** The cost of treatments is applied to your annual deductible. Once your deductible is met, treatments are covered 100%.
 - **Note:** There is no coverage for visits beyond 24 in a calendar year.
- If your provider does not bill insurance, have them create a superbill with the information below.

Provider Name & Address	Date of Service	CPT Code(s)
Provider Tax ID Number	Receipt of Payment	Diagnosis & Code(s)

You will be responsible for submitting the provider’s superbill along with a Medical Claim form to HealthComp for reimbursement. You can submit your claim through your HealthComp Patient Portal.

Links to the Medical Claim form and HealthComp Patient Portal can be found in the Benefits folder on ClassLink.

- Here are a few known providers willing to bill HealthComp include:
